

Adopt a Marine Program

The City of Mission Viejo, Marine Adoption Committee and Mission Viejo Community Foundation are hoping to brighten the lives of our adopted Marines and Sailors at Camp Pendleton with the Adopt a Marine program. Over 1,200 Marines and Sailors of the Headquarters Battalion, 1st Marine Division from Camp Pendleton are supported each year. The goal is to raise over \$40,000 annually to provide various services, programs and events for Marines throughout the year.
